PCS1 Announces Third Quarter Results

North Hollywood, Oct 01, 2004

PCS1, a leading provider of voice and data services, announce today that a 40% overall growth over 2nd quarter. PCS1 ended the 3rd quarter with 26,000 new business lines, a 40% increase from the 15,500 lines acquired in the 2nd quarter.

"This tremendous growth is due to the new California SimpleLine package with free local calling and a concentrated sales effort combined with the best-in-class supporting systems" Subash Khurana, COO of PCS1, comments.

With the newest additions to the PCS1 product family – Covad DSL and dial-up Internet access, along with improved customer incentive programs, PCS1 projects 4th quarter sales to outpace the 3rd quarter records.

About PCS1

PCS1, formerly Pacific Centrex Services, is a privately held, full-service telecommunications provider and manager of state-of-the-art Centrex-based telecommunications services. The Company provides small and medium-sized business customers in California with significant cost savings on high-quality local and long distance services, including value-added services such as voice messaging and ISDN/DSL Internet access.
